

HAPPY BIRTHDAY

PASTOR JOHN

June 26th is an important day for all who have been blessed by the ministry of our Pastor John D'Alesio. As it is the day that the Lord blessed us with this gift (*Ephesians 4:7-11*). We invite you to rejoice with us as we celebrate this man of God. His ministry has and is touching multitudes of lives around the globe. We have received countless testimonies from people in 203 Countries, continents, territories, etc.. Who have been blessed by his ministry.

Few know, understand or can relate to the trials, tribulations, persecutions that ministers at the level of Pastor Johns anointing walk through. It may help you understand more if you can watch several programs on our website "*Transparency brings liberty*" "*Meet the Air heads*" and "*Freedom from cruelty*". These are posted on the Heartland Broadcasting Network on our website Heartlandglobal.org.

Those of us close to the ministry have experienced firsthand at the sacrifices, integrity, unwavering faith, sacrificial giving, and the example ect, that Pastor John has set forth to all who come in contact with him.

We have seen firsthand on how Pastor John is such an exhorter and encourager to many. On this special occasion we ask that all of you who have been blessed by his ministry would send Pastor John a e-mail of encouragement and in your own words thanking God for the gift that he is to not only each of us personally but to the body of Christ and the nations as a whole.

You may be interested in knowing that Pastor John is so committed to blessing each of us that in all of his years in ministry, all offerings received he has encouraged the givers to not write the checks to him personally but to Heartland Christian Center. Any gifts that were made out to him personally he in turn gave or signed over to the ministry also. He has done everything he can to use everything he has to spread the gospel.

On one occasion when Pastor John was ministering in a low income section of a city on his birthday, the staff wanting to bless Pastor John put together a surprise party for him and sent a chauffeur with a stretch limo to his hotel room to pick him up and bring him to the service. People stood in awe waiting outside the facility to congratulate and wish him Happy Birthday but they were all stunned as the people watched in awe from a distance they could see Pastor Johns van coming with the limo and the chauffeur following him. Thats right he choose to drive the van and told the chauffeur and us when he arrived that he didn't feel comfortable pulling up like a big shot especially in such a low income area. It might sound trivial to some of you but to us it is a statement on how Pastor John is always concerned with other peoples feelings.

The staff at Heartland Christian Center also ask that you send the e-mail of encouragement and prayerfully consider sending a donation to Heartland Christian Center in honor of Pastor Johns birthday. Offerings can be sent by going to the donation page on our website and giving through our secure paypal account. Or it can be done by calling our 24hr prayerline 352-461-9351 that has been in existence since 1988 and give the prayerline coordinator the amount that

you would like to sow and the credit card information. Another way to get your seed in the ground is by sending a check made out to Heartland Christian Center to PO BOX 680307 Orlando FL 32868 and of course the best way is to bring a special birthday gift. Again make your checks out to Heartland Christian Center and for those who can personally bring it to one of the services where Pastor John is ministering.

Thank you in advance for your generous consideration. Expecting to hear from you again soon, enjoy the programs that are posted on the website and knowing Pastor John he would want us to wish all of you a Happy Birthday as well. In the words that we so often hear Pastor John say "May the rest of your life be the best of your life".

Godspeed-from a blessed Staff at Heartland Christian Center
